Task management

Earn passive income by running the app in the background. The longer the app is connected to the internet, the more you earn. Opt-in to active tasks for higher payouts.

Check uptime on the License tab.

Go to the Task tab to find available tasks including future tasks.

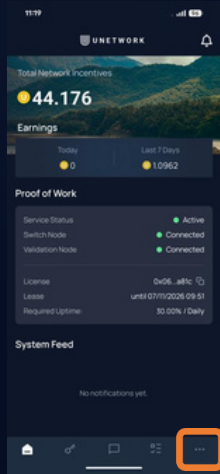

Once you opt in to a task, the status will turn green.
Caller ID testing is active (green).
Connectivity Verification is inactive (grey).

See future tasks under the Coming Soon section.

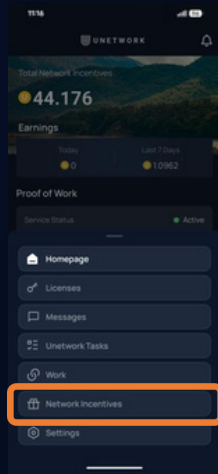

Track incentives

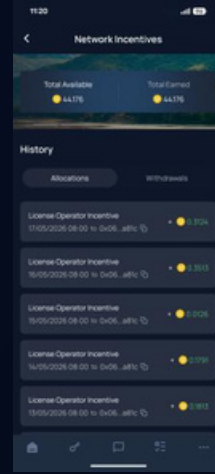

View a detailed breakdown of incentives by completed tasks and withdrawal history.

Go to the Network Incentive tab via the Menu.

Click Network Incentive.

View detailed incentive breakdown.

Pro tips to earn more

- Install the app on old phones.
- Opt-in to active tasks.
- Stay online. The longer you stay connected to internet (uptime), the higher your reputation score. A better score means more tasks and more money.
- *Above 90% uptime = lots more tasks*
- *Below 80% uptime = far fewer tasks*
