Notification
of test SMS

The screenshot shows a mobile app interface. At the top, a notification bar reads "SMS Test Message... Your input is needed to co...". Below this, the "Total Network Incentives" are shown as 31.9 UP. The "Earnings" section shows "Today" as 01 UP and "Last 7 Days" as 5.2211 UP. The "Proof of Work" section shows "Service Status" as Active, "Switch Node" as Connected, and "Validation Node" as Connected. At the bottom, a section titled "Did you receive a test SMS?" asks the user to enter the message content to receive incentives. There are two buttons: "ENTER MESSAGE CONTENT" and "NO, I DIDN'T". A yellow arrow points from the "Match formatting exactly" text in Step 2 to the "ENTER MESSAGE CONTENT" button.
